Currency: Euro

ICB No: T3-CW-02

1. Number of proposals received:

- a. Sinohydro Corporation Limited;
- b. "Xinjiang Beixin Road & Bridge Group Cp." Ltd;
- c. China Civil Engineering Construction Corporation;
- d. CORSAN-CORVIAM CONSTRUCCION S.A;
- e. "ITINERA S.P.A and RENCO S.P.A" JV;

2. Evaluated bidders

- a) "ITINERA S.P.A and RENCO S.P.A" JV
- b) Sinohydro Corporation Limited

3. Awarded Bidder

Name: Sinohydro Corporation Limited

Accepted Contract Amount: Euro 74,066,179.92 (included VAT)

4. Rejected Bidders

1) Name: "Xinjiang Beixin Road & Bridge Group Cp." Ltd

Reasons of rejection:

- a. This bidder did not meet the criteria for **“Contracts of Similar Size and Nature”** set in Section 3, 2.4.1. as within none of the submitted contracts exceeding USD 57.600.000 cement-concrete road pavement works have been implemented and according to the attached justifying documents in scope of all contracts exceeding USD 57.600.000 the road pavement is envisaged by bitumen (asphalt) concrete.
- b. The bidder did not meet the requirement submitted for implementation of concrete road **pavement defined by the criteria of “Construction experience in key activity”** (Bidding documents Section 3, 2.4.2) as according to the documents certifying the submitted contracts the cement concrete works implemented in scope of any contract do not consider to be road cement concrete pavement works.

b) Name: China Civil Engineering Construction Corporation

Reasons of rejection:

- a. This bidder **didn't meet** some of the qualification requirements of Section 3 of the bidding documents, in the submitted Contract inconsistency was identified which is the sole Contract certifying the similar construction experience (in accordance with the requirements of Section 3), also the implementation of cement-concrete road pavements was not implemented by the Bidder, it was implemented by the proposed specialized subcontractor and not by any JV partner.
- b. Taking into account that the cement-concrete pavement works **don't** consider as the high specialized processes but considered as works with key importance, which were defined by Clause 2.4.2 of Section 3, the experience of implementation of works for cement concrete road pavements by the specialized subcontractor cannot be considered as experience of China Civil Engineering Construction Cooperation.

c) Name: CORSAN-CORVIAM CONSTRUCCION S.A

Reasons of rejection:

- a. The Bid Security in the form of Bank Guarantee should be issued by the Bank which has **at least "BBB-" Rating as per** Standard & Poor's or equivalent (in accordance to ITB 19.3, Questions/Answers - point 5).  
Taking into consideration the above mentioned and the fact that the bid security of Corsan-Corviam Construcccion S.A was issued by Sabadell Bank (Spain) the rate of which as per Standard & Poor's is "BB+" and it is less than required rating.
- b. **Submitted Equipments' list in the signed preliminary agreement for** Laborator equipment submitted by Corsan-Corviam Construcccion S.A does not meet the requirement of Technical Specification, there is no information about any required equipment, as well as models, production dates, the location and period of the reallocation to Yerevan of the majority of submitted equipment.
